Graphic Design Intern

Summer 2023

Wallin is looking for a committed and creative individual to support our Marketing and Communications efforts as a graphic designer.

Skill Requirements

Graphic Design

Experience with one or more: Photoshop, Illustrator, InDesign, Lightroom, or other graphic design software.

Communication

Effective at communicating in written and verbal form. Ability to write emails, messages, newsletters, and content.

Social Media

Experience creating scheduling social media content, including Facebook, Instagram, TikTok, or LinkedIn.

Timeline

24 – 32 hours per week • \$15/hour
Monday, May 29th – Friday, August 11th

Hours and dates are flexible and will be determined in the interview process. If chosen, you may have the opportunity to extend the internship into Fall or Spring.

Projects

Design assets, including graphics, printouts, social media posts, web pages, emails, blogs, brochures, posters, flyers, invites, and other digital and printed content.

How to Apply

Email Jean Carlos Diaz, Senior Marketing Manager, with your resume and examples of your work/portfolio at **JeanCarlos.Diaz@wallinpartners.org**.
