

WALLIN
EDUCATION PARTNERS

— Class of —
2023

WELCOME CLASS OF 2023!

Congratulations 2023 Wallin Education Partners Scholars!

We are pleased to welcome you to Wallin as one of over 545 students who were awarded a scholarship this year. Take pride in your accomplishments and embrace all that you are about to experience. Remember to thank your family, friends, teachers, counselors, and mentors who have helped you prepare for the journey ahead.

Maxine and Win Wallin began a scholarship program in 1992 to help students with financial need go to college and earn a degree. They believed that equal access to higher education was essential to a healthy economy and the best possible investment in the future of Minnesota. The Wallin family's legacy of helping others continues to this day.

Over the years, many donors have partnered with Wallin to support scholars and help the organization build a strong program and an exceptional staff. Some donors like the Holman family, Enterprise Foundation, Ron and Joan Cornwell and many others have been donor partners for years supporting hundreds of students. Others like Jeff and LeeAnn Ettinger, Bush Foundation, and Federated Insurance have provided support to expand our program to new communities.

Our corporate donor partners, including U.S. Bank, Medtronic, Boston Scientific, and Andersen Corporation, among others, recognize the value of providing scholarships, internships and employment opportunities to Wallin scholars. Finally, NorthStar Education Finance has supported 1,037 students

attending both two-year community college and four-year institutions. Their level of generosity has transformed Wallin and significantly expanded our impact.

We look forward to collaborating with you to ensure your college experience is rich and meaningful and leads to a fulfilling career. Our trustees, staff, and donors will be cheering you on. Congratulations and welcome to Wallin Education Partners.

A handwritten signature in black ink that reads "Susan Basil King". The signature is written in a cursive, flowing style.

Susan Basil King
President and CEO
